Subject: IDC5 OHW version 17 software release

Dear Distributor,

This is to inform you that V17 IDC5 OHW has just been released

Please note that it is possible to update your SW in two different ways:

1. Download of the installation setup through SERVICECODE (available to you only) and/or through the **DOWNLOAD MANAGER** programme (available to you and your customers having a valid subscription);
2. Direct update of the software through the Internet for your demo units. Over the next few days this update will be available for your customers having a subscription as well.

We also remind you that installations on operative systems like Windows XP and Windows Vista will no longer be possible.

In addition, herewith enclosed you will find a summary of the main news regarding the new version .

Should you need any further information please feel free to contact us

Best regards
